Chris Scarisbrick, Trustee

Focus for 2024

Our Partnership Council propose the following areas of focus for 2024:

- Encourage one another to keep building the Kingdom of God in difficult times
- Define a date for the dissolution of the LEP
This is now decided to be 31 Aug 2024
- Define a future for the shared work of the partnership (Open the Book, Messy Church etc)
- Implement plans to transition Toothill Church to the Methodist Circuit
- Implement plans to transition St Mary's and Holy Trinity churches to the CofE parish
- Define and implement plans to transition Westlea church to a merger, or assist the members to future spiritual homes and ensure the continuation of Christian ministry for Westlea and Eastleaze.
- Assist denominations in cancelling sharing agreements for the buildings at Toothill and HTS

Prayer for our Partnership

Lord God, we thank you
for calling us into the company
of those who trust in Christ
and seek to obey his will.

May your Spirit guide and strengthen us
in mission and service to your world;
for we are strangers no longer
but pilgrims together on the way to your Kingdom.
Amen.

Organisation

The partnership comprises four churches, acting together:

Holy Trinity Church, Shaw (HTS)
St Mary's Church, Lydiard Tregoze (SMLT)
Toothill Church
Westlea Church

We are a Single Congregation Local Ecumenical Partnership, as described by Churches Together in England. The Partnership is part of the Baptist Union, Church of England, Methodist Church and United Reformed Church (URC).

Our clergy comprise those who have been duly authorised and appointed by our participating denominations. Rev Canon Capt. Clive Deverell is Vicar of West Swindon and Lydiard Tregoze (Church of England and Authorised to Serve in the Upper Thames Circuit of the Methodist Church and within the URC) with responsibility across the Partnership. Rev Trevor Day is Assistant Minister (Church of England) working across the partnership. Rev Lis Arnold (CofE) based at St Mary's Lydiard Tregoze, has Permission to Officiate in the parish. Rev Mark Tidey is Assistant Minister (Church of England) working mostly at Toothill. Rev Som Okonkwo continues to serve in the Partnership as part of his Anglican training for ministry. Rev Joseph Ribeiro is a Methodist Minister in the Upper Thames Circuit whose pastoral responsibilities extend to Toothill Church.

Trustees

The trustees are the members of the Partnership Council (PC). Anglican Members also constitute the Parochial Church Council (PCC) when needed to conduct Anglican specific business, though the PCC delegates as much business as it can, to the wider PC

The charity trustees have had due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

The Partnership Council (PC)

The PC is the main governance and representative body. Its responsibilities are Regulatory, Oversight, Governance and External partnerships. Other responsibilities, ministry / mission, buildings, pastoral care and local leadership, are delegated to the Local Church Committees (LCC) / Leadership Teams. A fuller description of the current functions of the PC, PCC and LCCs can be found in the Partnership Constitution (2015) and in draft Standing Orders.

Financial Review

The Partnership's main source of income is the share from the individual churches, with some income generated from fees for weddings and funerals. Most of the fee income is paid out to cover costs to the diocese or clergy, organist, vergers and clerk as well as for costs such as heating and lighting. We do almost no public fundraising as a Partnership although some is done by the individual churches to support specific causes.

The Partnership's main expenditures are contributions to the parent bodies, this accounting for just over 80% of expenditure, leaving a small amount for general expenses including the maintenance of Hook Cemetery and outreach work. In recent years, including 2023, the Partnership has not directly employed staff and has instead relied on the goodwill of volunteers to continue the work of the charity; this work often goes unnoticed but is gratefully appreciated as it is what enables the Partnership to continue its work.

Against a backdrop of reduced membership and an ongoing cost of living crisis we are thankful to have seen regular giving increase slightly in 2023 over 2022.

In the consolidated accounts the total unrestricted income was £148,108 and restricted was £29,880. The total unrestricted expenditure was £193,853, and restricted expenditure was £58,363.

The reserves being carried forward were £63,808 for unrestricted and £94,682 for restricted. The restricted funds are being held against future building related work and the employment of a Childrens' Worker. Despite advertising a vacancy, we were not able to recruit, and given the forthcoming changes to the Partnership, Partnership Council agreed to delay recruitment until the new structures are in place.

The policy of the individual churches and the partnership is to keep 6 months of expenditure as reserves, which for the group amounts to some £30,000. The total free reserves are £63,808, which is in excess of the required amount.

Our financial controls are reviewed by the trustees on an ongoing basis as is risk. This enables us to act/react to changes to both legislation and provision requirements as soon as possible

Going Concern

As of 31 Aug 2024 the Local Ecumenical Partnership will be dissolved. Each individual church community is defining their own future as single denomination churches. The intention is to ensure all activities, assets and liabilities are allocated appropriately between the successor organisations, before that date. The trustees will then take steps to close the charity. The charity is not a going concern.

We are extremely grateful to Ann Hutchison who co-ordinates volunteers at St Mary's, and importantly to those who take responsibility for the management of our safeguarding across the Partnership.

Thanks also to Rev Trevor Day who leads on the Royal British Legion Field of Remembrance at Lydiard Park, offering a listening ear and opportunities for daily reflection and silence.

We would like give thanks for the passion at HTS as we seek to care for the environment, our desire to make HTS sustainable having now installed Solar Panels, and Westlea for continuing their litter picks.

We thank those volunteers at HTS and Toothill who are involved in 'Welcome Space'. HTS are now offering two sessions a week, and their craft activities have resulted in increased attendance. Toothill Church have also seen numbers grow and attendees enjoyed a very special Christmas lunch. its growth is a real blessing.

Loss

Grief has been tangible for myself, and several others, in 2023, we mourn the loss particularly of Val Hemmens, Mavis McLaughlin, Seth Nartey, Joan Ruming and Milton Shim each of them brought so much to the Churches. We give thanks for their lives and continued inspiration.

New beginnings

We face a new beginning from the summer of 2024. Our efforts must be focused on how we are going to build the Kingdom of God in West Swindon, in so doing we will need to work together more, understand each other more.

God is doing something, look at the vocational growth, look at the changes in demographics in our congregations. There is more to be done, let us pray, study and reach out, to our communities together.

Publicity and Communications

Our web site <https://WSwinLyd.org.uk> is somewhat static, but a helpful central point of information. Each local church is responsible for local publicity – this is through their Monthly Magazines, Weekly Notice Sheets, Christmas cards etc.

Local Church activities

There is much more that happens in each of our local churches, well described in their local Annual Reports, available online at <http://wswinlyd.org.uk/council/report>

Clergy (ex officio)	Rev Canon Capt. Clive Deverell Rev Trevor Day Rev Mark Tidey	
Partnership Council Chair	Mark Dowling (from Apr 2023)	
Treasurer	Pam Ray (till Apr 2023) Neema Mariya (from Apr 2023)	
Secretary	Chris Scarisbrick	
Churchwardens, Synod reps and LLMs (ex-officio)	Wendy Dukes Dr Angela Mak Pat Watson	Jacqueline Kirwan Peter Rogers Linda Nicholas Bob Nicholas
Elected Members	Mike Black Janet Clark	Peter Gilder Chris Scarisbrick
Circuit Superintendent Minister, and Circuit Steward (ex officio)	Rev Shirlyn Toppin	
URC Synod Pastoral Adviser	Rev Gerald England	

The PC met 6 times in 2023, in February, April (the AGM for year 2022), twice in July, and in October and November. Between meetings, day to day operations and decision making was delegated to the Partnership Executive.

Main PC topics during the year were:

- Safeguarding, the continuing catch up of our Safeguarding records.
- Income and expenditure; review of budget planning process
- Handover of partnership financial administration to a new treasurer
- The sustainability of our activities
- Discussions leading to plans to dissolve our LEP.

The Partnership Executive met 8 times in 2023 using video conferencing facilities or face to face.

Apart from the Executive, appointed Sub Groups handled specialist areas of work on behalf of the PC, and gave reports on progress. The groups were:

- Local church committees and leadership teams
- Messy Church team
- Open the Book team
- St Mary's Futures group, ensuring the sustainability and continued community interest in the historic building at St Marys Lydiard Tregoze.

Risks

The Partnership has a number of risks to its activities which have been assessed at either PC or the Executive. These include:

- Risk of financial commitment, particularly relating to denominational contributions. Reserves cover approx. 6 month's normal expenditure

- Limited resources available for work delegated to clergy and to the Partnership Executive.
- Communication, organisational and accountability risks relating to the Partnership's Policies and Procedures
- Structural risks due to declining membership and attendance trends in some churches

The PC considers that these risks have been mitigated to the best practicable extent.

We have identified two risks that are beyond our direct control.

- Unpaid voluntary contributions cannot be quantified in the report, but are substantial, almost all of our activities depend heavily on volunteer goodwill, time and effort.
- The inability for some of our denominations to post clergy to LEPs and in some cases denominational reluctance to support Single Congregational LEPs such as ours

All risks are monitored within the Partnership's governance processes.

Induction and Training of Trustees

There is no formal training process for trustees, however all PC members are formally inducted and made aware of their role and responsibilities at the first PC meeting after the AGM, and through discussion and briefing before and at meetings.

External Representation

Anglican Deanery and Diocese

Deanery Synod has continued to focus on the Diocese project and strategy for moving forward and reaching out into the community - Transforming Church, Together.

Chris Dobson, from the Diocese, came to lead a session in May to highlight the Discipleship stream of Transforming Church. He asked challenging questions including- 'If someone came into a church and wanted to find out about Jesus, what would they find?'; 'if someone wanted to find out about discipleship at your church, what would they find?'; 'what understanding or feelings come to mind when you hear the word evangelism or discipleship?'

The Deanery Leadership Team have been working on the Deanery Plan, reflecting on the questions, 'What is Swindon Deanery? What are our characteristics? What is our geography? What are our shared priorities?' The plan was introduced and shared in July; PCCs were asked to reflect and feedback on the plan. This was discussed in November's meeting with sub-groups planned to address each aspect of the plan.

Pastoral Report

In a year, in which King Charles III had his coronation, we recall the important role that the Church had on that day and the special part that the anointing had. It was a real privilege for both Churches to share in that joy and our prayers continue to be with him and his family.

Sincere thanks firstly, needs to go to all wardens, stewards, and leadership teams and committees who have ensured the daily life of the churches, have continued without disruption, in a time of uncertainty and change.

Individual need

Pastorally, we have in all the churches, seen change, fewer Baptisms and Weddings, more Church funerals but fewer at the Crematoriums as more are taken by civil celebrants. We will all need to look at how we facilitate memorial services for individuals. Home Communion is taking place, and our Pastoral teams endeavour to keep in touch with those unable to attend. Heat and Eat is a specific new venture where Toothill is supporting the most vulnerable.

Vocations

We do need to acknowledge, in 2023, Andy Bissex has continued on his ordination training and left to go on extended placement. We have officially welcomed Robert Nicholas as an LLM, it was great that so many went to Bristol for his licensing, and we welcome Nitin Shinde, an Ordinand from Christ Church, who is with us till the summer of 2025.

We have continued to be blessed by Rev Mark Tidey and on an extended placement Rev Som Okonkwo, both have been more focused at Toothill this last year.

Volunteering, caring for our environment, reaching out.

We thank those who lead Messy Church and Open the Book, especially Heather Benn, as she inspires and encourages so many. All the Churches have played their part in supporting Open the Book and Messy Church, we have sustained and continued with those activities that originated from ourselves.

We thank those Volunteers running Spotlight and Daygroup for Jesus, the study group at Toothill and to Westlea for the use of their zoom account to facilitate a number of them.

2024 the challenge will be to nurture the doors opened to us with deepening commitment and relationship.

God is doing many things in our churches, everywhere you look there is change, new things springing up or being talked about. OtB is no different – we have enjoyed the conditions that enabled our flourishing under the unifying umbrella of the partnership – thank you. Our trajectory now depends on the love and support of all the churches, through prayer, provision, and the continued blessing of our PCC's and their working together for the good of this ministry.

Messy Church

Messy church has been meeting on the second Sunday of each month at Holy Trinity Church, Shaw. Numbers have been small during the year. We invited more people to attend for the December Christingle session and more came. Some families hope to join in most months in 2024. We are grateful for the guitar playing of Mark Tidey, the piano playing and enthusiastic acting of Mick Dams and family. We have collected items for shoeboxes, held a session where we made grace cards, completed some messy painting, and constructed many food items such as a 'Sail boat' a 'Sheep' and decorated biscuits. It was nice to see Emma and Callum for a session before they went back to college.

The messy church publication changed during the year, we now have a book that runs from September to August which we are following. We are adding some of our own ideas as well to add specific bible stories. We have held Tuesday planning meetings once a month.

Our challenge for next year is to encourage more families to attend. (A brand new baby came to January's session.)

Oliver Tomkins CE Infant and Junior school

Oliver Tomkins Schools underwent seismic change during 2023, Miss Cockwell retired as Headteacher in July 2023. A lovely farewell service led by Clive took place with each year contributing. Former colleagues, fellow Heads joined from other local schools. Mrs Katie Cook was appointed to replace her.

The school faces a major change in 2024, having to join a multi academy trust. In December the Infant School had an OFSTED inspection and was graded as good.

Katikamu Sebamale School, Uganda

The link with the school has continued to grow. The WhatsApp link is really useful in keeping in touch. We have struggled to send financial help this year and we hope to resolve this soon. St Mary's continues to raise funds each Christmas, and like others, prays for the school regularly.

Baptist Area

In the year 2023 the Baptist church has been focussing on evangelism with a key verse from 1John 1 v 7. 'We walk in the light as he is in the light.'

They have been trying to start new churches where they see gaps in provision. Individual churches, such as Gorse Hill in Swindon, are still supporting the community fridge idea where folk can leave food in the fridge or on the shelves next to it when they pop in for a coffee. Those in need can come and get food. A few churches are doing meals twice a week.

The main AGM was held in Telford in June and the South West AGM was held in Clevedon in July. Questions were asked about the truth of reporters saying church is in decline. These meetings both said that church numbers were not dropping but, if anything they were increasing especially those attending bible study online. Horfield Baptist church in Bristol has swapped buildings with the local CofE one as that would suit their needs better. The two churches are still friends and have a common online bible session twice a month.

Methodist Circuit

The Partnership's commitment to ecumenism means that Partnership clergy continue to lead worship in the Upper Thames Circuit. As part of this reciprocal arrangement we thank the Circuit Ministers and Local Preachers who lead worship across the Partnership, we are extremely grateful for their support.

In September we welcomed Rev Joseph Ribeiro to the circuit ministry team. Rev Joseph is minister at Highworth and Shrevenham and shares ministerial responsibilities for Toothill with Rev Mark Tidey.

As part of the conversations this year about the future of the partnership, the Circuit invited Toothill Church join them and become a Methodist Church. At the end of 2023 we were preparing to discuss this at church and partnership levels.

URC

URC SW Synod confirmed David Hoar continued in his role as a lay president, authorised to serve communion in the Partnership. We said farewell to our moderator Ruth Whitehead. Rev Gerald England continued to give us support as a partnership for which we are extremely grateful.

Safeguarding

We have 88 people trained and available to work with children or those who may be at risk, at the time of reporting. We have had no incidents of safeguarding concern in 2023. Though there were a couple of minor incidents requiring pastoral support for staff, these did not warrant safeguarding concern.

In doing our work of safeguarding the Partnership Council have followed the advice and guidance of the United Reformed Church Synod Safeguarding Officer. According to section 5 of the Safeguarding and Clergy Discipline Measure 2016, the PCC have given due weight to the House of Bishops' guidance on safeguarding children and vulnerable adults

St Mary's Futures group

This year the "Futures Group" the small group responsible for ensuring the legacy of the conservation project at St Mary's is maintained.

Volunteers continue to steward and the numbers recruited continue to grow. A new interpretation board for the Churchyard was designed and sent to Diocesan Advisory Committee (DAC) for approval in December 23. This once installed will give visitors insight while the Church is closed.

The guidebook continues to sell well, and numerous schools have visited during the year and Anne Hutchison has led this and the volunteer group with great skill.

Children and Young People's work

Our local churches support for children and young people on Sundays, and midweek groups has been greatly diminished, however Toothill Church run Toothill Tinies and Friday Club for Junior School age children. They also support a Family Hub and Youth Club for Secondary School age children, held at Toothill Church. These are described further and reported in the local church annual reports at <http://WSwinLyd.org.uk/council/report>, here we consider our joint efforts

Primary schools work - "Open the Book".

As I sit and write this between Christmas and New Year I think back and am grateful for all the good things that have happened to, and in, the Open the Book team. The words "pass my story to the next generation" and "beautiful are the feet of those who bring Good News" echo in my heart, what does God want from us most? – our hearts. This is a ministry everyone can participate in, the lame, the sick, the lonely, the fearful – in fact they are the very people who would be at home with us for God is able to make them stand as he has done for us.

Open the Book is a bible telling story programme in primary schools and part of Bible Society. In 2023 we have established ourselves in 4 primary schools, Shaw Ridge, Peatmoor, Tregoze and Westlea. Given 61 assemblies on Wednesdays with a team of 20 people from 5 different churches. Schools are very encouraging and supportive of the team and appreciate the message the stories bring. Our relationships remain good with a change of 2 new school contacts for Shaw Ridge and Westlea.

We have a resource room at Holy Trinity Church, Shaw to meet in and store costumes and props – thank you. We have signed up to the new Bible Society membership scheme (a requirement from Sept 2024) and used some of the new stories in Westlea and Tregoze schools. We have welcomed Lindsay to the team and said goodbye to Bob and Wendy. It has been a tough but enjoyable year. In

June, with Rev Mark Tidey and Kirsty and Benita Bondah leading the worship. Mike Wilmot from Bible Society led at Westlea in October.

Day group for Jesus

A successful year of study and fellowship. Getting to know the richness of our creator's love and grace. Meeting on Zoom, then using Welcome Space at Holy Trinity Shaw to meet in person and help with its running.

We finished our Watchwords of Faith. It's surprising how single words like Transformation, Hope and Redemption could give us so much material.

Mike Black told us his story of transformation from RAF pilot to becoming a MAF pilot. Wow, brilliant, many thanks Mike for an enthralling session.

Angela then led with Praying like Monks, with not requiring a change of dress code. The study getting to us to think about our practise of prayer and techniques to improve it.

Finishing the year with the Bible Societies course on Romans. Not an easy book, however Andrew Ollerton's creative approach to the study helping us to rediscover its message we are invited to be part of.

This year we will see changes, but our ethos in DG4J will not change - 'All are warmly welcome to our meetings.'

Workload: 12 hours/meeting, 22 meetings/year, between 3 people.

With thanks to Angela and Edward for a great year of study.

Spotlight

Spotlight started on Zoom during the lockdown in April 2021. It began as a result of a conversation about the value of House Groups. Spotlight is a different version of a House Group and is based on the monastic tradition of Lectio Divina (Holy reading) and is a contemplative approach to Bible reading. It is not Bible study but a way of dwelling on a short passage of Scripture, read slowly, twice, with silence in between. We then share what we find valuable, encouraging, even alarming etc.

The group (which on average is about 10-12 people) feel safe in the confidential atmosphere to say exactly what they feel; everyone's contribution is valid. It may build confidence, deepen faith and help us draw closer to each other and to God.

The group has people from across the Partnership and beyond. We still meet on Zoom, fortnightly, each session lasting one hour, in blocks of 5 sessions. Initially Lis led the sessions but as the group became used to the process, others have chosen the Scripture and led if they wish.

Areas of focus for 2023 reviewed

- Reinforce children's work – appoint a children's worker
- We need to become sustainable and resilient, so administration needs reenergising - Support for committees and Sunday services.
- We need to become sustainable and resilient - Support people who are available to serve during the week.

All these areas of focus were overtaken by events during the year, when our denominational leaders asked us to consider dissolving the partnership. The Partnership AGM held in April 2023 agreed to this proposal, with a view to dissolution at the end of 2025. Following denominational developments it was agreed at a Partnership Council meeting in January 2024 to dissolve the partnership on 31 August 2024.

- Work towards a new beginning for our partnership, becoming fit for purpose.

We have made great strides in defining the shape of our new organisations. We have decided on a possible future for each local church, partially defined the work each needs to do to get there, and decided the date of dissolution. We will start our new beginning on 1 Sept 2024.

The Community

Membership is expressed through the Local Churches, and each congregation is responsible for encouraging regular attendees into membership. Within our different church traditions there are slight differences in understanding of membership, but this causes us no problems apart from explaining to our parent denominations.

Our partnership's main services take place on a Sunday Morning usually in all four local churches. A service of Holy Communion is generally held in at least one of the Partnership locations every Sunday, with a range of styles reflecting the breadth of our traditions.

Friday morning prayers took place throughout the year on Zoom and attendance on Friday mornings quite often reached double figures.

Messy Church is a missionary congregation aimed at families with young children. It is lay-led and resourced from the other "Sunday morning" churches.

A midweek meditation and study group "Spotlight" continued this year and has attendance across the Churches in West Swindon.

The 'Day Group for Jesus' meets fortnightly with attendees from across the partnership.

Joint Partnership Worship

We held joint partnership services for major Christian festivals in 2023.

Our Covenant service at the start of the year was led by Rev. Shirlyn Toppin. Lent Weekday services at Toothill Church on Wednesdays were led by Rev Lis Arnold, Rev Trevor Day or David Hoar. Nigel Howarth preached at Toothill in
